

Engaging participants others struggle to reach. Delivering **real progression** through mentoring-led, modern support.

We specialise in engaging individuals who **don't** engage with traditional delivery.

About Navigate Business

Navigate Business delivers enterprise and employability support across the UK, working with training providers, councils, and organisations.

We specialise in engaging individuals who may not thrive in traditional delivery, using a mentoring-led approach that builds confidence, clarity, and momentum.

At a glance:

- ✓ UK-wide delivery
- ✓ Proven virtual delivery success
- ✓ Mentoring-led approach
- ✓ Experience across DWP, Restart, IPS, Help to Grow

Virtual Delivery That Works

Highly engaging virtual programmes designed for the reality of modern life, achieving strong engagement that often exceeds traditional face-to-face delivery.

- Reaching individuals balancing work, family, or anxiety over in-person sessions
- Providing flexible, inclusive learning environments

Real Delivery, Real Outcomes

Build Confidence

Nurturing **self-belief** and reconnecting learners with personal growth

Create Direction

Providing clarity and structure, and practical next steps

Drive Progression

We focus on action, accountability, and measurable outcomes

We don't just deliver sessions. We rebuild confidence, reconnect learners, and inspire change.
